

Sino Corrugated South 2014 Success

SinoCorrugated South and SinoFoldingCarton 2014 held last April at the Guangdong Modern International Exhibition Center (GMIEC) in Houjie, Dongguan. This year visitors reached 29,114 and over 600 well-known equipment suppliers participated, all registering high rates of satisfaction. Many of the international and local suppliers debuted new products onsite, while a number of new trade and partnership agreements were forged during the show.

The leading corrugated packaging manufacturing industry event in Asia-Pacific, this year's combined show brought a large number of well-known suppliers. These included BHS, EMBA, Fosber, Mosca, Sun Automation, Marquipward United, E&L, Albany, Maxcess, Tirusa S.L., Voith, Rodicut, Valco, Hhs, Nordson, Esko, Mühlen Sohn, Nippon Tokken, Friese, Cue, Siemens, Ming Wei, Hsieh Hsu, K&H, Yueli, Maxdura, Qingdao Justu, Qingdao Kaituo, Zhaoqing Xijiang, Qingdao Meiguang, Shanghai Jinchang, Zhuzhou Sinovan, Keshenglong, Giant, Ekofa, Eterna, Nantai, Yutian Chengyuan, Yoco Shanghai, Weifang Xinchuan, Jinya Machinery, Tangsheng Machinery, Dongguan Tianjin, Dongguan Qixing, Qingdao Hengeli, Yuanluh Machinery, Wujin Haili, Infotech Consultant, Siksoft, Shenzhen Chenlong, Yongjin

Computer, Qingdao Bangde, Auclean, Oake, Sky Dragon and Shenzhen Yilong.

Many companies chose to debut their new products to the Asia-Pacific market. Guangzhou Giant Packaging Machinery, for example, unveiled the automated carton gluing and binding machine from its printing-slotting-gluing-binding production line: Lee Sang Duk. Wenzhou Zhengrun Machinery debuted their painstakingly developed RB420 automated box converting machine. Shanghai Eterna Machinery Manufacturing introduced its Brause automated box gluer TA1100-C6 (II). The intelligent automated corrugated board production control system displayed by Erhardt + Leimer GmbH (Germany) also wowed visitors.

The team of Indonesian Corrugated Cardboard Industries Association, International Corrugated Case Association take a picture in front of the exhibitor hall. They combine the visit to the exhibition with a sightseeing to the beautiful Yangtze river. Therefore some of the members also bring their family along to see the beautiful china sights

Over 100 Industry Associations Represented Onsite

During this event the exhibitor also co-sponsor the ACCA (Asia Corrugated Case Association 2nd Management Committee Meeting in Regal Palace Hotel, Dongguan, CHINA. The participant of the general meeting above.

The Exhibitor also arrange the Indian community meeting. See below pictures for some of the participants during the event.

Reed Exhibitions China Carton Industry Training Week made a big comeback in 2014, based on a program of diverse, value-laden supplementary activities that focused on hot topics and industry trends. The activities included the Summit on the Transformation of the Packaging Industry and Innovations and Development of Paper Packaging Technologies; the China Packaging and Printing Alliance Annual Summit 2014; the Paper Honeycomb Industry Development Summit; the China Flexographic Development Summit; the Reed-Yuanhe Public Lecture; the Green and Creative Packaging Designs Summit and new product debuts that attracted thousands.

SinoCorrugated 2015 will be held at the Shanghai New International Expo Center in April 2015. The exhibition area will expand to 67,000 sqm. An expected 32,000 visitors will attend the show for which, already, 80% of exhibition space has been sold. The SinoCorrugated 2015 will maintain its leading position in the industry and continue to attract high levels of international participation. See you next April at SinoCorrugated 2015—the world's leading exhibition for corrugated packaging manufacturing!
