ACCA's 4th Management Committee Meeting to be Held Alongside SinoCorrugated 2015

Along with the aggressive publicity and promotion campaigns of SinoCorrugated 2015, it has become rapidly known in the corrugated industry both at home and abroad. On September 18, 2014, the organizer of SinoCorrugated 2015 attended and expressed warm congratulations to the 18th Annual General Meeting and the 3rd Management Committee Meeting of Asian Corrugated Case Association (ACCA). The delegation of ACCA visited Cheng Loong Binh Duong Container Co., Ltd., a factory invested by Cheng Loong Corp. in Vietnam. Mr. Frank Chen, Chairman of International Corrugated Case Association (ICCA), Simon Lo, Chairman of ACCA, Stanley Koo, Chairman of the Corrugated Box Manufacturers' Association of Singapore (CBMA), Henry Low, Chairman of Malaysian Association of Corrugated Case Manufacturers (MACCMA), Kinardo Ang, ex-Chairman of the Indonesian Corrugated Cardboard Industries Association (PICCI), Ms. Su, an official representative from the Chinese Taipei Corrugated Case Association (CTCCA), Mr. Deepark, a representative from the Federation of Corrugated Box Manufacturers (FCBM) of India, Ms. Varna Sudasna from TCG, Tuti Buntaran, Director of PT. Tosi Jasindo and Susie Zhang, Assistant Marketing Manager from Reed Exhibitions, attended the meetings and the reception dinner.

During the meetings, the organizer of SinoCorrugated 2015 made comprehensive introductions of the exhibition update so far and the new highlights of the upcoming event and warmly invited the members of ACCA to come and visit the exhibition. Mr. Simon Lo, Chairman of ACCA, mentioned that ACCA will extend support to SinoCorrugated 2015 as always, and the top executives of the national corrugated case associations that are the members of ACCA would attend the event in person. He also said that ACCA's 4th Management Committee Meeting would again be held concurrently with SinoCorrugated 2015 and he wished a complete success of the upcoming event.

It is expected that SinoCorrugated 2015 will cover an exhibition area of 67,000 square meters and bring together over 600 exhibitors. Over 1,400 sets of corrugated manufacturing equipment and over 1,000 kinds of consumables of the industry will be displayed at the exhibition. Delegations of over 100 domestic and overseas associations of the industry are also expected to come to visit and give their full support to the exhibition.

Focusing on the rapidly growing market of the global corrugated industry, the exhibition is expected to attract over 36,000 industry visitors from corrugated box factories, among whom over 20% are expected to be box producers and dealers from over 100 foreign countries and regions including Singapore, India, Indonesia, Malaysia, Thailand, Vietnam, Japan, South Korea, Brazil, Chile, Argentina, Russia, Turkey, Spain, Italy, Poland, Egypt, Mexico, the United States, Australia. The scale of the exhibition will be remarkable and unprecedented, which will fully demonstrate the leading position of SinoCorrugated in the global corrugated packaging industry.

About SinoCorrugated 2015 — SinoCorrugated is the world's leading industry exhibition of corrugated case equipment, supplies and technologies. It brings together and showcases the most advanced carton and cardboard manufacturing equipment and consumables and attracts the industry's buyers with strong purchasing powers from both developed regions and emerging markets, endeavoring to make itself the most remarkable event of the industry. As the bellwether leading the development of the industry, SinoCorrugated 2015 will

undoubtedly be the best platform for you to meet powerful buyers from around the world, conduct business exchanges and cooperation, tap emerging markets, promote your brands, and network with useful business contacts.
