

## Another Brilliant Achievement – SinoCorrugated 2017, SinoFoldingCarton 2017 & PACKCON 2017 Successfully Wrapped Up! Total Number of Visitors Exceeded 72,000!

On April 14, SinoCorrugated 2017, SinoFoldingCarton 2017 as well as PACKCON 2017 successfully ended the global grand gathering of the packaging industry at the Shanghai New International Expo Centre (SNIEC). It has hit the highest record in history in the scale of the show and the diversity of visitors!

Between April 11 and 14, the event attracted in total more than 72,000 visitors from 110 countries worldwide, of whom 41,878 have visited SinoCorrugated 2017, 23,361 have visited SinoFoldingCarton 2017 and 7,205 have visited PACKCON 2017 (April 11th to 13th). The exhibition also

live streamed all the four show days to offer an additional access to the show. As of the statistics from April 14, more than 330,000 people virtually attended the exhibition through the online platform. Numerous exhibitors have reserved large areas of booths at the SinoCorrugated South 2018!

**More than 72,000 Visitors During all the Show Days!**

**SinoCorrugated 2017,** SinoFoldingCarton 2017, and PACKCON 2017 received substantial support from more than 100 domestic and international trade associations and more than 100 media organizations; Over 4,500 professionals from 78 domestic associations under the leadership of China Packaging Federation, together with a number of overseas buyers of high purchasing power led by 45 overseas renowned associations and agents visited the exhibition.

The exhibition provided TAP matchmaking services, which improved the efficiency of contract signing by matching customers of purchase demands with manufacturers that met the conditions.

The exhibition has occupied 8 SNIEC pavilions plus diverse outdoor pavilions, with a total exhibition area of nearly 110,000 square meters. Over 1,800 high-end and cost-effective equipment, more than 1,000 kinds of supplies, as well as new products of the world were grandly exhibited. Moreover, visitors were amazed at the internationally advanced technology and equipment displayed at the renowned US, Italy, India, Germany, Spain, and Japan pavilions.

There have been more than 40 onsite events which brought visitors the latest information on industry policies, equipment advancement, up to date technology, trading information of the packaging industry. The 3-in-1 mega expo had once again proved its trust worthy branding and enormous impact on the global packaging industry!
