

Sustainability in Packaging Asia 2022

7-9 JUNE, 2022 | SINGAPORE & ONLINE

HYBRID EVENT

SMITHERS
INNOVATE WITH CONFIDENCE

www.sustainability-in-packaging.com/sustainability-in-packaging-asia

KFC, TESCO, Johnson & Johnson, Colgate-Palmolive, Sealed Air, WestRock, Amcor and more speak at Sustainability in Packaging Asia 2022

Bringing together industry leaders and legislators, Sustainability in Packaging Asia 2022 offered a platform for attendees to share firsthand insights and collaborative ideas that inspire innovation and drive new approaches to packaging recyclability and design.

The drinks reception on day one offered a great opportunity for attendees to share their ideas and develop relationships. The leading panel discussions on day one and day three centered around the hottest topics, latest trends, and emerging developments in the sustainable packaging marketplace, sparking a collision of ideas.

Presentations include:

- *Closing the loop with sustainable packaging and foodservice waste, **Lynette Lee, General Manager, KFC Singapore***
- *KEYNOTE: Delivering true packaging sustainability - a retailer's strategy, **Paul Earnshaw, Senior Packaging Manager, TESCO***
- *100% recyclable packaging - B2C flexible plastics sustainability strategy, **Ted Bailey, Packaging Sustainability Manager, Asia Pacific, Colgate-Palmolive***
- *Alternative materials for more sustainable packaging: novel materials, **Alan Adams, Sustainability Director, APAC, Sealed Air***
- *Sustainable soft plastic packaging, **Richard Smith, Director Sustainability – Asia Pacific, Amcor Flexibles AFAP***
- *Innovate with fiber-based packaging materials, **Derrick Tay, Senior Sales Manager, UPM Specialty Papers APAC***
- *Design thinking to inspire sustainable innovation, **Cathie Cocqueel, Director, Brand Design, Johnson & Johnson***
- *Designing with climate in mind, **James Pryor, Co-founder & Creative Director, Touch Design***
- *Case studies of packaging recycling and reusing, **Eric Kawabata, APAC General Manager, TerraCycle and Loop***
