

Grand Opening of SinoCorrugated 2015, the Results Far Exceeded Expectation!

Day 1 in Review

SinoCorrugated 2015 had its grand opening on April 14 at the Shanghai New International Expo Centre. Across an exhibition area of over 67,000 sqm, 600+ exhibitors from all around the world are presenting over 1,400 pieces of corrugated manufacturing equipment and over 1,000 kinds of consumables.

SinoCorrugated continues to play an important role in accelerating the growth of the world corrugated industry. This year, the show welcomed a large number of professionals from dynamic emerging markets like Latin America, the Middle East, South Africa and Southeast Asia.

China Corrugated Industry Training Week of this year offers you a value-enhancing selection of interactive on-site and off-site events. The week comprise TAPPI International Seminar, ACCA's 4th Management Committee Meeting, Global Conference of Corrugated Industry Trade Agencies, Iran Day, India Day, America Day, Japanese/Spanish Pavilion Cocktail Party, Flexographic Development Summit 2015, Corrugated Box Packaging and Future Outlook Marketing Development Leader Summit, Creative Corrugated Fashion Show, etc.
